EXPERIENCE

- **Ipsos MORI, Data Journalist**
NOV 2019 - PRESENT
Founder of Ipsos MORI data journalism unit. Working on regular survey coverage and building journalism tools.
- **Google News Lab, Trends Data Curator**
FEB 2018 - NOV 2019
Worked closely with News Lab France to tell stories in search data. Ran listening events with data journalists, internal trainings on how to speak about Google Trends data, and independent projects.
- **Goldsmiths College, Teaching Assistant**
SEP 2017 - FEB 2018
Selected from MA Digital Journalism cohort to assist with teaching the following year. Taught HTML/CSS, web scraping and Rest APIs in Python, and JavaScript libraries including Node and D3.
- **Freelance Journalist**
AUG 2016 - FEB 2018
Worked freelance across a range of briefs including showbiz, politics, and social media management.

EDUCATION

- **Goldsmiths College, University of London**
2016-2017
MA Digital Journalism
- **University College London**
2012-2016
BA Modern Languages (French and German)
